Hariharan B

Studying 3rd year at SRM University || Aspiring Engineer
Chennai, Tamil Nadu, India

Summary

I am a 3rd-year Electronics and Communication Engineering student at SRM University, passionate about emerging technologies like Python, Data Management. With a strong foundation in both theoretical knowledge and practical applications, I am eager to apply my skills to real-world challenges through internships and projects. I am committed to continuous learning and innovation to make a meaningful impact in the tech industry.

Experience

Peeyesyem Hyundai

Intern

May 2024 - June 2024 (2 months)

Chennai, Tamil Nadu, India

A service internship in a car company focusing on sensors involves learning about their role in vehicle systems, diagnosing issues, and calibrating them for optimal performance. It provides hands-on experience with automotive technologies, enhancing skills in diagnostics and sensor integration.

Education

SRM IST Vadapalani Campus

Bachelor of Technology - BTech, Electronics and Communication Engineering
· (July 2022 - May 2026)

Victory Matriculation Higher Sec School

Mathematics and Computer Science · (June 2020 - March 2022)
